7 Cellars Wines – Elway's Reserve

Yes as in John Elway, the Denver Broncos hall of famer. Also as in Elway's the upscale steak restaurant in Denver. Elway's is a 7 time recipient of the Award of Excellence from Wine Spectator magazine and is known for its extensive wine list and high end cuisine. So naturally it makes sense that they capture that celebratory spirit and experience of the Elway restaurants and capture it in a bottle of wine. Elway's Reserve comes in the form of a 2014 Carneros Chardonnay and a 2014 Napa Valley Cabernet Sauvignon. This is the perfect gift for the wine lover or Broncos fan on your shopping list.
