CROWD PLEASERS

Hosting this season? These Colorado-centric ideas will make it the best get-together ever:

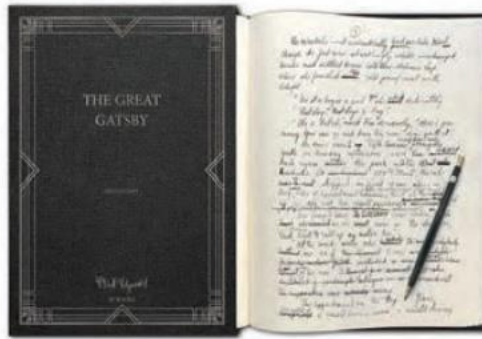

THE WINE: Broncos fans will cheer as you uncork **7 CELLARS WINE**. John Elway's brand includes the 2014 Carneros Chardonnay, \$37, and the 2014 Napa Valley Cabernet Sauvignon, \$77. A portion of sales goes to Team Rubicon, which helps returning veterans find purpose through disaster relief. 7cellars.com

THE DESSERT: End your party on a sweet note with the 2017 Holiday Collection from Longmont's **ROBIN CHOCOLATES**. In the six- or 12-piece boxes: chocolate flavors of Candy Cane, Cranberry Vodka Lime, Eggnog, Figgy Pudding, Gingerbread Molasses and Chocolate Whiskey Pecan Pie. robinchocolates.com

EDITOR'S PICKS

THE GREAT GIFT

Literature lovers will swoon over the newly released **"THE GREAT GATSBY"** handwritten manuscript presented in a large-format, luxury cloth-bound box edition (\$249, SP Books). The limited-edition work (each book is hand-numbered from 1 to 1800) shows iconic chapters re-worked by F. Scott Fitzgerald (Daisy was originally "Ada"; Nick was first "Dud"; Gatsby's character is more mysterious, entire scenes are extended, crossed out or added). A true gift for fans of the great 20th century American novel. spbooks.com

CELEBRATE IN (CURATED) STYLE

Planning a festive dinner party but short on time to shop for supplies? The recently launched **GOLD** has already done the work for you. The Colorado-based startup offers six tablescapes hosts (complete with place settings, wine glasses, flatware, cloth napkins, a table runner and accessories) that will serve four to 40 guests (\$17-\$24 per place setting; delivery, pickup and washing included). We're currently crushing on "Caviar Dreams," with its black and gold glitz and sophisticated "Park Avenue" (pictured). The three-day rentals also come with curating a playlist, menu and recipes, entertaining tips, example photos and a timeline. Want more cake toppers, cocktail stirrers and other goodies in the online shop. Dinner is served! clotha.com
