2014 Elway's Reserve Napa Valley Cabernet Sauvignon, \$77.77

If you're looking for a super fancy wine for your Oscars viewing party to impress all your friends, let me suggest this delectable Napa Valley Cabernet Sauvignon. Look, I'm no sommelier, but I know a tasty wine when I sip one. And I've been dreaming about this wine ever since I tried it. It's a perfect blend of robust fruits and delicate spices...which is fancy wine talk for it's DAMN GOOD. Plus, it's charitable. Every bottle helps Team Rubicon, a disaster relief non-profit.
